Mass Effect Pc Trainers

Due to an ongoing lawsuit against Bioware, some original Mass Effect trainers have been added back into online circulation. Tutorials Guide Trainer: "Mass Effect: Citadel Tutorial" . A tutorial intended to introduce players to the basics of the game. The tutorial is fully voiced, and explains the story. It begins with the introduction of your character, before branching out and explaining the basics of the gameplay (e.g. target locking). . Trainer: "Mass Effect: Combat Training" . Upon first startup, the trainer begins with a small tutorial which mainly explains the combat mechanics of the game. During the tutorial, player's character is shown to hold a weapon, and the trainer explains that player's character can use the weapon to attack or defend against enemy forces. The tutorial continues to explain the various actions of weapons, how they interact with other weapons, etc. The trainer will then continue the tutorial for each weapon, beginning with the pistol, then the shotgun, and the assault rifle. As the player's character uses the weapons, the trainer continues to explain the various features of the weapons. . Trainer: "Mass Effect: Control Training" . Upon first startup, the trainer begins with a small tutorial which mainly explains the weapons of the game. The tutorial will guide the player through learning the basics of the weapons. In addition, the trainer will guide the player through using various weapons throughout the game. . Trainer: "Mass Effect: Systems Tutorial" . Upon first startup, the trainer begins with a small tutorial which mainly explains the various features of the game. The trainer will explain the various controls of the game (e.g. dialog wheel, target lock, menu system, etc.), as well as explain the various features of the game. . Mass Effect: Combat Tutorial. The Bioware training text included in the game. . This tutorial is partially cut out of the game, though it is labeled as being playable. It introduces the the basics of the game, explaining how to perform basic actions like reloading, sleep, finishers, and sidearms. . This training is meant to be used as a second tutorial in Mass Effect 2, as its ending is available in the final mission of the game. The trainer continues to explain the various features of the game (e.g. equipment, weapon lock-on, energy, target lock, etc.), as well as introduce players 3da54e8ca3
