\_epic as well as 'softer' styles such as hero-and-heroine. Pixar films, especially those made at the beginning and middle of the series, were noted for their A-I, the animation aspect not merely consisting of character movement but the subtle feeling of performance as well. Towards the end of the series, as the main characters grow and change, the characterization is further developed. Environmental The scriptwriters made environmental aspects of the locations and characters important parts of the storyline. For example, the songs "For Life" by Kid Cudi and "Hold On" by 2 Unlimited, have a "dreamy, spacey, and kind of urban setting". The music video for the song "Don't Got A Love," from the film Up, has scenes with a white-and-blue color scheme in the desert and sunset; and scenes with a white background and a green screen in the heights of a mountain. Theme The film has been cited as expressing a number of important themes concerning the human condition, including the themes of family, growth, trust, honesty, and sacrifice, among others. Creativity At Pixar, there is a general philosophy of letting the animators focus on their individual styles and feel free to have a certain creative freedom in their work. This is expressed as a freedom to be surprised and an acceptance of imperfection. As with Finding Nemo, the film is filled with bizarre characters and situations. For example, when Dory discovers "a kind of sea creature with a big smile that was actually like, a very large fish with two heads", she tells Marlin about it. Marlin assumes that it is a joke, but Dory reveals that it was an actual sea creature. In the film, when Dory is in her childhood and her parents are reading a book, she grows up and when she sees herself as an adult, she forgets the last 20 years. The scriptwriter Michael Arndt said about the idea for the film: "The original idea [of the movie] came from how we love being in the water, and that feeling of being a fish out of water, like, 'I don't belong there, I have to get out of here.'" According to Arndt, the idea emerged while watching the Little Mermaid on television as a family, as he and his wife looked at the character of Ariel, who was in her own world,
