Programlara kısa v.48 full-time equivalent positions to be created as part of the SA Natural Resources and Energy Minister's East African Regional Economic Partnership plans. At this year's African Investment Forum, the ESEO, said it will also invest \$6.8 million to supply 15,500 Ethiopian schoolchildren with schoolbooks and laptops to enable them to educate their peers from kindergarten to secondary school. "Ethiopia is fast changing its destiny as a nation, through its journey towards democracy, the Community Development Policy (CDP) and the realization of its Vision 2025," the minister, told delegates. "The Eastern and Southern African Regional Economic Community (ESAREC) is a natural platform for regional integration. With the alignment of the priorities of ESAREC with the aspirations of Ethiopia, the African Investment Forum held in Ethiopia this week (29th-30th October 2013) will be defining as critical." Regional efforts The ESEO estimates that 25 billion US dollars in private sector investment is needed in the ESAREC Economic Community by 2020, to support the implementation of the Regional Framework, including the Comprehensive Agenda for Food Security, Sustainable Energy, Environment and Climate Change, Health, Health, Population and Migration, Governance, Research and Innovation and Cross Borders Travel and Tourism. "The ESAREC Economic Community is working to support key partnerships in the region in the line of priority programmes and projects," said the ESEO Secretariat. According to the statement, the Umaru Yar'Adua NEP is expected to trigger around 100 priority projects across five sectors including Information and Communication Technology, Energy, Food Security, Agriculture and Fisheries Development, Natural Resources and Ecosystem Management. * 2 + 4 * w .
