This program is compliant with background check enforcement orders issued in federal court or by the Federal Bureau of Investigation. As part of this program, state law enforcement officers are authorized to arrest individuals who violate Wisconsin's background check law. All persons arrested under the conduct prohibited law are to be taken into custody, brought before a county judge within 20 days of the arrest, and then released either immediately or after placement of a notification of release on file. Persons arrested are eligible for release on their own recognizance. To promote voluntary compliance with this program, all major state vendors of firearms and ammunition, and all major Milwaukee County firearms dealers are required to submit a copy of the "Certification of Compliance with State and Federal Laws" to the Licensing, Enforcement, & Investigation Section, to be completed and submitted to the Department of Justice, Criminal Division, within 30 days of the effective date of this act. Violations of the conduct prohibited law are to be prosecuted, up to and including criminal charges, in accordance with Wisconsin statutes. Section 3. WEDC B c6a93da74d
